BUSINESS:

- **Memorial Program**
 - Tim Turton had done some research on what other towns are doing. He found that it did not seem to be a popular idea to have a memorial program for fundraising.
 - Future Steps:
 - Think about what amenities they want to raise money for: bike repair stations, benches, trees, bike racks/lockers
 - Hold fundraisers during town events to promote what the GTBC is doing and how to get involved.
- **Master Plan Update**
 - **Motion made** by Michael Griffin: The Greenway, Trail, and Bikeway Commission recommends adding the section of greenway from North Mecklenburg Park to NC 21 on to the Master Plan map. This section is currently on the Mecklenburg County Greenway Master Plan.
 - Second By: Ken Stuart | Approved Unanimously
 - June meeting we will look at how Huntersville can connect into the Concord/Cabarrus County greenway system.
 - Continue to focus on and tweak our priorities as needed.
